

CALL FOR PAPERS

FOWT 2019, 24, 25, 26th April 2019, Montpellier

Submission deadline: October 15th, 2018

Official language is English

Papers will be selected by the Scientific and Technical Committee. They will be run as an oral presentation lasting 10 to 15 minutes, depending on the format of each workshop.

For this edition, FOWT 2019 will focus on “**Floating 3.0 : towards the 1st GW**”. The different topics are:

1. Bankability, insurability and financing of commercial-scale projects
2. Innovation and latest developments in public policies, tendering process, support schemes
3. Optimizing offshore operations from installation to decommissioning
4. O&M and HSE
5. Zoning, permitting and local acceptability
6. Electrical interconnection from grid issues to innovations
7. Relevant innovations (products, methods, process) resulting from existing floating projects
8. Floating substructures, wind turbines and mooring systems
9. Floating wind and its surrounding marine habitat: challenges and solutions
10. Supply-chain readiness: from demonstrators and pilot farms to mass production
11. Countries and/or states' past and future strategies on floating offshore wind
12. Cost reduction through evolutions in standards and design process

Registration of summary

The summary must be sent to: contact@fowt-conferences.com before October 15th, 2018.

- Format – PDF A4
- Font: Arial
- Font size: 11
- Line spacing: single
